

PERKIOMEN VALLEY HIGH SCHOOL

SENIOR CAREER STUDY PROGRAM GUIDELINES

In preparation for Career Study, the student meets with a specific career sponsor within the career area of interest, one to whom the student has sent a letter of interest as well as a resume and has received a positive response from that employer. The student meets with that person to develop goals and create a plan for the career study program. Writing down a carefully planned set of goals and activities is helpful to a successful internship experience. The career sponsor (employer) oversees the student during the Career Study Program and the direct supervisor must have clearances on file with PVSD (unless the student is over 18). Parents must provide a notarized permission form, and the student must secure teachers' signatures.

When a student receives positive responses from more than one potential career sponsor, he/she must notify all other potential career sponsors of his/her selection.

These guidelines are meant to assist students in planning their Career Study Program:

- ◆ Students will participate for a time period that is consistent with the time they would normally spend in class--thirty hours each week. However, the thirty-hour schedule may differ from the regular school schedule.
- ◆ Students will complete the ONLINE registration for Career Study (link on the Career Study website) and submit the notarized form and teacher signature page on time (or early). **NO late paperwork will be accepted.**
- ◆ Students, with parental assistance, are to find their job placements--this is not the school's responsibility.
- ◆ Parents may *not* sponsor their own children.
- ◆ Students are *not* to be paid for this work experience. Please contact the Career Study Coordinator to discuss this issue.
- ◆ Students are encouraged to explore a career that they truly want to investigate!
- ◆ Students will meet/communicate weekly with their faculty advisers to discuss their on-the-job activities. This should be initiated by the student weekly. Failure to maintain weekly contact is grounds for terminating this program for the student.
- ◆ At the conclusion of the program, students will submit a typed thank you letter to their career sponsor and update their resume. Students, their faculty advisers and the career sponsor will be asked to complete online evaluations.
- ◆ Students must maintain satisfactory academic status in order to participate in the program--this means a 70% average in all courses by the end of the third marking period. The signatures of all the student's teachers are required.
- ◆ Students must have satisfactory attendance and no serious discipline problems.
- ◆ Students represent Perkiomen Valley High School while participating in the Career Study Program. During the program, all school rules will be in effect. The Perkiomen Valley School District administration reserves the right to withdraw the Career Study privilege at any time. Students who are withdrawn from the program will return to their regular schedule of classes.

CAREER STUDY - THE STUDENT'S JOB

- Completes program requirements and meets deadlines as outlined on the timeline
- Assumes responsibility for understanding and adhering to all guidelines
- Completes a detailed timeline for anticipated hours on Career Study (attached) and shares a copy with his/her faculty adviser and career sponsor. Students should document any time that they are not available for career study (ie: choral practices, athletic events, etc.)
- Makes a total commitment to the program and meets/communicates weekly with faculty adviser
- Completes all requirements at the conclusion of this program (ie: letter of gratitude to career sponsor(s), updated resume and completes an online evaluations)
